

# BUSINESS ADMINISTRATION

Specialization: Global Supply Chain Management

## ABOUT THIS DEGREE PROGRAM

### BUSINESS CORE

#### A FOUNDATION IN BUSINESS

This program features a series of essential Business Core courses to help build interdisciplinary skills critical to workplace success. These

courses introduce students to key disciplines that support business careers and cover concepts related to general business principles, including accounting, marketing, management and the analytic skills that inform business decision-making.

The Business Core coursework introduces students to contemporary workplace applications. In each course, the learning experience is enhanced through activities that help students apply the course material, while shaping future education and career choices.

#### A PROGRAM TO FUEL YOUR FUTURE

In addition to providing you with a background in business skills such as accounting, finance and data analysis, this specialization will allow you to explore the many aspects of planning, scoping, monitoring and managing projects.

#### IS THIS PROGRAM FOR YOU?

Interested in a business degree and marketplace logistics? Then this program might be the right fit for you.
